

Long Term Care Insurance

This summary of benefits is intended to describe only a general outline, and does not represent the actual terms and conditions of the policy. For actual terms and conditions: [UNUM Provident Long Term Care](#)

- UNUM Provident allows enrollment for Long Term Care Insurance at any time.
- Long Term Care Insurance provides asset protection.
- The coverage is portable .
- Your premium is based on your age at time of enrollment and will not change unless the carrier files with the State Insurance Department for an increase in premium for all age classes.
- Your attending physician provides the information to UNUM Provident for determination of claim approval.

How Long Would Your Assets Last?*

How quickly would your assets disappear without long term care insurance? Based on the average yearly cost of nursing home care,* a portfolio of \$250,000 would be depleted in less than five years.
